First Edition.

code name
ZOMBIE

Illustrative re-creation of how the victim was found.
Dates inconsistent as the person in question was said
to be seen wandering vineyards after the first
recorded date of death. After further research the
possibility of zombie attack can not be ruled out.
Flesh has been torn from the neck area and the body
was found to be half dragged under the fertile soil
surrounding local vineyards. Similar disappearances
and random sighting of ~~subjects~~ **REJECTED** wandering aimlessly
through vineyards have been reported, only to be
disregarded by authorities. The official stance is a
lack of evidence to support these claims, however
there are stories circulating that authorities are more
inclined with public perception and reactions to
landish theories.

entation by Prof. Hooper is to be
play. Prof. Hooper is to be held
h treason, until such time
ting these documents.
